Writ Petition No.17365 of 2005

ORDER:

This writ petition is filed against the order of the second respondent dated 27.01.2005 dismissing the petitioner from service.

Admittedly, against the impugned order, remedy of appeal is provided under the Regulations before the first respondent which is also specified under the impugned order itself. Contrary to the same, the petitioner has come up with the present writ petition. Hence, this Court declines to entertain the writ petition.

Accordingly, the writ petition is disposed of directing the petitioner to avail the statutory remedy of appeal available to him. If such an appeal is preferred by the petitioner, the first respondent is directed to consider the same expeditiously. No costs.
